

HOME — *for the* — HEART

An evening of hope, dignity, and connection.

PROJECT HEART  Inc.
Holding Excellence Above Relapse Team

Everyone deserves a place to feel welcome, valued, and connected, especially during the holidays. Project Heart's annual celebration brings together up to 200 program participants, friends, and community members for dinner, music, and shared celebration. This year's evening will also feature our award-winning documentary, *Hope Has an Address*, sharing the stories behind our work and the power of community in rebuilding lives.

Your sponsorship makes this gathering possible, creating a welcoming holiday experience that reflects the dignity, encouragement, and belonging at the heart of Project Heart's mission every day.
